

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D.C.

ORDER NO. 2723

IN THE MATTER OF:

Served June 20, 1985

Application of AMERICAN COACH LINES,  
INC., to Change Rates )

Case No. AP-85-21

By application filed May 8, 1985, American Coach Lines, Inc., ("ACL" or "Applicant"), seeks to increase and restructure its rates for charter and special operations offered pursuant to Certificate of Public Convenience and Necessity No. 1.

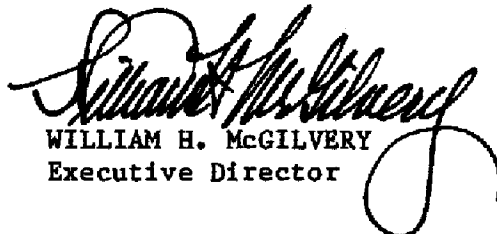

By Order No. 2707, served May 21, 1985, ACL was directed to post notice of the proposed tariff. Protests were due June 3, 1985, and none were filed.

Applicant provided additional financial data as requested by the staff, and the tariff was suspended by Order No. 2714, served June 7, 1985, to allow additional time for analysis of the data.

The analysis of the application and additional financial data having been completed, it appears that the rate relief requested by ACL is justified. Accordingly, the suspension of Tariff No. 5 will be lifted.

THEREFORE, IT IS ORDERED that the suspension of WMATC Tariff No. 5 of American Coach Lines, Inc., is hereby lifted, and the rates specified therein shall become effective upon the date of service of this order or as soon as practicable thereafter.
